

BAKFLIP F1

The OEM Quality Tonneau with superior impact resistance

www.bakliner.com

BakFlip F1 tonneau covers are hand crafted from aircraft grade aluminum and fiberglass reinforced polymers to be lighter, stronger and more efficient on all levels.

Newly designed flush-fit hinges are more water tight and robust.

Flush mount side rails have integrated EPDM seals and allow access to stake holes.

Designed to work seamlessly with the new BakBox.

Upgraded OEM latch housings and powder coated finishes.
