

# BAKBOX

## Assembly instructions:

### Contents of package:

4 x 1/2 inch self tapping screws

2 x Hanger brackets  
(driver and passenger side)

1 x sliding tray

1 x BakBox folding panels

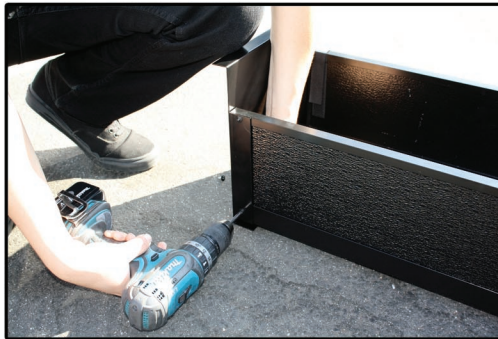

**Step 1:** Stand hanger brackets up and position the BakBox folding panels between them as shown. The Velcro strips on the hanger brackets must be facing you.

**Step 2:** Align the hanger brackets squarely with the panels and fold the Velcro strips over the front panel securely.

**Step 3:** Secure the rear panel of the BakBox with 2 self tapping screws on each side, making sure the hanger brackets are square.
